

§ 8483. Submission of reports

Copies of any report required by this chapter to be submitted to the Congress shall be separately submitted to the Committee on Interstate and Foreign Commerce of the House of Representatives and the Committee on Energy and Natural Resources of the Senate.

(Pub. L. 95-620, title VIII, §807, Nov. 9, 1978, 92 Stat. 3348.)

REFERENCES IN TEXT

This chapter, referred to in text, was in the original “this Act”, meaning Pub. L. 95-620, Nov. 9, 1978, 92 Stat. 3289, known as the Powerplant and Industrial Fuel Use Act of 1978, which is classified principally to this chapter. For complete classification of this Act to the Code, see Short Title note set out under section 8301 of this title and Tables.

CHANGE OF NAME

Committee on Interstate and Foreign Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives immediately prior to noon on Jan. 3, 1981, by House Resolution No. 549, Ninety-sixth Congress, Mar. 25, 1980. Committee on Energy and Commerce of House of Representatives treated as referring to Committee on Commerce of House of Representatives by section 1(a) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

§ 8484. Electric utility conservation plan**(a) Applicability**

An electric utility is subject to this subsection¹ if—

(1) the utility owns or operates any existing electric powerplant in which natural gas was used as a primary energy source at any time during the 1-year period ending on August 13, 1981, and

(2) the utility plans to use natural gas as a primary energy source in any electric powerplant.

(b) Submission and approval of plan

The Secretary shall require each electric utility subject to this section to—

(1) submit, within 1 year after August 13, 1981, and have approved by the Secretary, a conservation plan which meets the requirements of subsection (c) of this section; and

(2) implement such plan during the 5-year period beginning on the date of the initial approval of such plan.

(c) Contents of plan

(1) Any conservation plan under this section shall set forth means determined by the utility to achieve conservation of electric energy not later than the 5th year after its initial approval at a level, measured on an annual basis, at least equal to 10 percent of the electric energy output of that utility during the most recent 4 calendar quarters ending prior to August 13, 1981, which is attributable to natural gas.

(2) The conservation plan shall include—

(A) all activities required for such utility by part 1 of title II of the National Energy Conservation Policy Act [42 U.S.C. 8211 et seq.];

(B) an effective public information program for conservation; and

(C) such other measures as the utility may consider appropriate.

(3) Any such plan may set forth a program for the use of renewable energy sources (other than hydroelectric power).

(4) Any such plan shall contain procedures to permit the amounts expended by such utility in developing and implementing the plan to be recovered in a manner specified by the appropriate State regulatory authority (or by the utility in the case of a nonregulated utility).

(d) Plan approval

(1) The Secretary shall, by order, approve or disapprove any conservation plan proposed under this subsection¹ by an electric utility within 120 days after its submission. The Secretary shall approve any such proposed plan unless the Secretary finds that such plan does not meet the requirements of subsection (c) of this section and states in writing the reasons therefor.

(2) In the event the Secretary disapproves under paragraph (1) the plan originally submitted, the Secretary shall provide a reasonable period of time for resubmission.

(3) An electric utility may amend any approved plan, except that the plan as amended shall be subject to approval in accordance with paragraph (1).

(Pub. L. 95-620, title VIII, §808, as added Pub. L. 97-35, title X, §1023(a), Aug. 13, 1981, 95 Stat. 616.)

REFERENCES IN TEXT

The National Energy Conservation Policy Act, referred to in subsec. (c)(2)(A), is Pub. L. 95-619, Nov. 9, 1978, 92 Stat. 3208, as amended. Part 1 of title II of the National Energy Conservation Policy Act was classified generally to part A (§8211 et seq.) of subchapter II of chapter 91 of this title, and was omitted from the Code pursuant to section 8229 of this title which terminated authority under that part June 30, 1989. For complete classification of this Act to the Code, see Short Title note set out under section 8201 of this title and Tables.

EFFECTIVE DATE

Section effective Aug. 13, 1981, see section 1038 of Pub. L. 97-35, set out as an Effective Date of 1981 Amendment note under section 6240 of this title.

CHAPTER 93—EMERGENCY ENERGY CONSERVATION

Sec.
8501. Congressional findings and purposes.
8502. Definitions.

SUBCHAPTER I—EMERGENCY ENERGY CONSERVATION PROGRAM

8511. National and State emergency conservation targets.
8512. State emergency conservation plan.
8513. Standby Federal conservation plan.
8514. Judicial review.
8515. Reports.

SUBCHAPTER II—OTHER AUTOMOBILE FUEL PURCHASE MEASURES

8521. Minimum automobile fuel purchase measures.

¹ So in original. Probably should be “section”.

- Sec.
8522. Out-of-State vehicles to be exempted from odd-even motor fuel purchase restrictions.

SUBCHAPTER III—STUDIES

8531. Study and report.
8532. Middle distillate monitoring program.

SUBCHAPTER IV—ADMINISTRATIVE PROVISIONS

8541. Administration.

§ 8501. Congressional findings and purposes

(a) Findings

The Congress finds that—

(1) serious disruptions have recently occurred in the gasoline and diesel fuel markets of the United States;

(2) it is likely that such disruptions will recur;

(3) interstate commerce is significantly affected by those market disruptions;

(4) an urgent need exists to provide for emergency conservation and other measures with respect to gasoline, diesel fuel, home heating oil, and other energy sources in potentially short supply in order to cope with market disruptions and protect interstate commerce; and

(5) up-to-date and reliable information concerning the supply and demand of gasoline, diesel fuel, and other related data is not available to the President, the Congress, or the public.

(b) Purposes

The purposes of this chapter are to—

(1) provide a means for the Federal Government, States, and units of local government to establish emergency conservation measures with respect to gasoline, diesel fuel, home heating oil, and other energy sources which may be in short supply;

(2) establish other emergency measures to alleviate disruptions in gasoline and diesel fuel markets;

(3) obtain data concerning such fuels; and

(4) protect interstate commerce.

(Pub. L. 96-102, title II, § 201, Nov. 5, 1979, 93 Stat. 757.)

EFFECTIVE DATE

Pub. L. 96-102, title III, § 302, Nov. 5, 1979, 93 Stat. 770, provided that: "The amendments made by this Act [enacting this chapter, amending sections 6262, 6263, and 6422 of this title, and enacting provisions set out as notes under this section and section 6261 of this title] shall take effect on the date of the enactment of this Act [Nov. 5, 1979]."

SHORT TITLE

Pub. L. 96-102, § 1(a), Nov. 5, 1979, 93 Stat. 749, provided that: "This Act [enacting this chapter, amending sections 6261, 6262, 6263, and 6422 of this title, and enacting provisions set out as notes under this section and section 6261 of this title] may be cited as the 'Emergency Energy Conservation Act of 1979'."

CONGRESSIONAL FINDINGS

Pub. L. 96-102, title I, § 101, Nov. 5, 1979, 93 Stat. 750, provided that: "The Congress finds that—

"(1) a standby rationing plan for gasoline and diesel fuel should provide, to the maximum extent practicable, that the burden of reduced supplies of gasoline and diesel fuel be shared by all persons in a fair and equitable manner and that the economic and social impacts of such plan be minimized; and

"(2) such a plan should be sufficiently flexible to respond to changed conditions and sufficiently simple to be effectively administered and enforced."

FUNDING FOR FISCAL YEARS 1979 AND 1980

Pub. L. 96-102, title III, § 301, Nov. 5, 1979, 93 Stat. 769, provided that: "For purposes of any law relating to appropriations or authorizations for appropriations as such law relates to the fiscal year ending September 30, 1979, or the fiscal year ending September 30, 1980, the provisions of this Act (including amendments made by this Act) [see Short Title note above] shall be treated as if it were a contingency plan under section 202 or 203 of the Energy Policy and Conservation Act [former sections 6262 and 6263 of this title] which was approved in accordance with the procedures under that Act [see Short Title note set out under section 6201 of this title] or as otherwise provided by law, and funds made available pursuant to such appropriations shall be available to carry out the provisions of this Act and the amendments made by this Act."

§ 8502. Definitions

For purposes of this chapter—

(1) The term "severe energy supply interruption", when used with respect to motor fuel or any other energy source, means a national energy supply shortage of such energy source which the President determines—

(A) is, or is likely to be, of significant scope and duration;

(B) may cause major adverse impact on national security or the national economy; and

(C) results, or is likely to result, from an interruption in the energy supplies of the United States, including supplies of imported petroleum products, or from sabotage or an act of God.

(2) The term "international energy program" has the meaning given that term in section 6202(7) of this title.

(3) The term "motor fuel" means gasoline and diesel fuel.

(4) The term "person" includes (A) any individual, (B) any corporation, company, association, firm, partnership, society, trust, joint venture, or joint stock company, and (C) the government or any agency of the United States or any State or political subdivision thereof.

(5) The term "vehicle" means any vehicle propelled by motor fuel and manufactured primarily for use on public streets, roads, and highways.

(6) The term "Secretary" means the Secretary of Energy.

(7) The term "Governor" means the chief executive officer of a State.

(8) The term "State" means a State, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

(Pub. L. 96-102, title II, § 202, Nov. 5, 1979, 93 Stat. 757.)

SUBCHAPTER I—EMERGENCY ENERGY CONSERVATION PROGRAM

§ 8511. National and State emergency conservation targets

(a) Determination and publication of targets

(1) Whenever the President finds, with respect to any energy source for which the President de-
